Elap Academy

Elap would like to invite you to our first Elap Academy Training Session on 23rd November 2006 at the Henry Ford College in Loughborough. The event is free of charge for up to 2 members of your team.

The day will split into two components:-

- 1) An opportunity to present you with our plans and aspirations for the next physical year.
- 2) Hands on installation training with our new product range to include the CAN-BUS Infrared System.

I'm sure you will agree the previous twelve months has been a period of immense change for Elap and indeed our partners, as such this training event is an important milestone in our evolution and I hope you can make time to attend.

Please confirm your attendance by completing and faxing back the form attached to this invitation.

I look forward to meeting you at the event.

David Newns
Commercial Director
